

Alternative Fuels & Chemicals Coalition

Advocating for Public Policies to Promote the Development & Production of Alternative Fuels, Renewable Chemicals, Biobased Products, and Sustainable Aviation Fuels

AFCC Membership Levels

\$25,000 per year for companies with revenues of \$25 million per year or more.

\$10,000 per year for companies with revenues of \$10 - \$25 million per year.

\$5,000 per year for companies with revenues of \$5 - \$10 million per year.

\$1,000 plus \$100 per employee over 10 employees for companies with revenues of less than \$5 million per year and more than 10 employees, with dues based on total number of full time worldwide employees, including employees of subsidiary companies.

\$1,000 per year for new companies and startups with 10 employees or fewer.

\$ 500 per year for nonprofit organizations and academic institutions

You may pay by credit card online at <https://www.altfuelchem.org/membership>

Credit cards accepted: Visa, MasterCard, American Express

For payment by check, please remit to:

AFCC, Accounts Payable, 1200 G Street NW, Suite 800, Washington, DC 20005

Upon payment, the member company agrees that it generally supports AFCC's public policy positions, that the positions and business practices of the member company are generally consistent with those of AFCC's, and its policies and principles support innovation, including the creation of innovative intellectual property.

Dues to the Alternative Fuels & Chemicals Coalition are not deductible as charitable contributions for income tax purposes. However, they may be deductible as ordinary and necessary business expenses subject to restrictions imposed as a result of AFCC's lobbying activities. AFCC estimates that the nondeductible portion of member dues for this year's membership fee allocable to lobbying is 33%.

A Collaborative Government Affairs Effort
